LOCATION: Rapidan, Orange County side of Rapidan River, Highway 673, first entrance on left (east) beyond junction with Highway 615.

PLEASE READ CAREFULLY BEFORE ORDERING

This price list cancels all conflicting prices in previous lists.

TERMS: Cash with order. Check or money order preferred. Make all remittances payable to George W. Peyton.

WHOLESALE PRICES: As I do not attempt to grow large quantities, I cannot usually make wholesale prices. When it is possible to do so, I shall be glad to accomodate my grower friends.

ROOTS: Standard three to five eye divisions will be sent when possible. Sometimes a division with two good eyes and an adequate root system will be the only one available. All roots are guaranteed true to name. Results cannot be guaranteed. None are guaranteed to bloom the first year, though they may do so.

If you do not like the roots when received they should be returned at once.

DELIVERY by insured parcel post only. Orders except for Mixed Peonies for five dollars or more are delivered free. On orders for less than five dollars add twenty-five cents for the first root and five cents for each additional one.

ORDERS are accepted subject to cancellation in whole or in part if suitable roots are not available at time of shipment. All varieties priced at ten dollars each or more are very scarce. They should be ordered as soon as possible.

VARIETIES: This list contains only the finest and best in the world, both old and new. I can supply almost any peony in commerce. Let me handle your entire peony order. I can usually save you money. I can certainly save you time and trouble. I shall be glad to quote on any variety not listed, if available.

SMALL DIVISIONS: These can usually be supplied in varieties priced at five dollars or more. If interested, ask for quotations.

ABBREVIATIONS: E—early; M—midseason; L—late; B—blush; LP—light pink; DP—dark pink; P—pink; R—red; W—white; Y—yellow; C—cut flower; F—fragrant; G—good garden subject; U—unreliable bloomer.

COLOR GROUPS: Each variety is listed in the color group to which it is usually assigned. It must be remembered that color varies a great deal sometimes. White peonies often show a decided tint of pink. The dividing line between blush, light pink, dark pink, red is often hotly disputed. So take these color classifications with a grain of salt.

AMERICAN PEONY SOCIETY NEWS

At the Annual Meeting held in Cleveland, Ohio, June 18-19, 1951, the membership fee was set at five dollars a year by an overwhelming majority. New directors chosen were: C. F. Wood, Toronto, Canada; W. A. Alexander, Bowling Green, Ohio; Allen J. Wild, Sarcoxie, Missouri. Mr. A. M. Brand of Faribault, Minnesota, was the only old director re-elected of the three whose terms expired.

Officers chosen by the directors for the next year: President: Neal R. van Loon, Newton, New Jersey; vice president: Mrs. Earl W. Knapp, Carmel, Indiana; treasurer: L. W. Lindgren, St. Paul, Minnesota; secretary: George W. Peyton, Rapidan, Virginia.

The Society will welcome into its membership all who are interested in the Peony. Applications should be sent to the Secretary with check or money order for five dollars.

The next annual meeting and exhibition will be held at Lake Mohawk, New Jersey, June 21-22, 1952, as at present scheduled.

THE 1951 SHOWS

The 47th Annual Exhibition was held in Cleveland, Ohio, June 18-19 at the Higbee Company's Department Store. Flowers, good. Attendance, fair. Best Flower in the Show: Red Charm. Best doubles: White: Yukon; blush: Dorothy J.; light pink: Mrs. Franklin D. Best double *albiflora*: Dorothy J. (B. H. Farr Medal). Best herbaceous hybrid: Red Charm (A. P. S. Bronze Medal). Best and Most Distinctive new variety shown: Jacob Styer (American Home Achievement Medal).

First Class Certificates were awarded by the Seedling Committee to the following named varieties: Amberglow, white, tinted amber, double; Mother's Choice, white with pink overlay, double; Virginia Dare, white single, and Angelo Cobb Freeborn, salmon pink herbaceous hybrid double.

The Regional Show of the Second District was held in Whitner's Department Store, Reading, Pennsylvania, June 14 and was staged almost entirely by the Sussex County Peony Society of New Jersey. Flowers, excellent. Attendance, excellent. Best doubles: white or blush: Mrs. J. V. Edlund; pink: Martha Bulloch; red: Grover Cleveland; Japanese: Lotus Queen; single: Sea Shell; semi-double: Ave Maria; herbaceous hybrid: Red Charm; Amateur specimen: Harry F. The 32nd Annual Peony Show of the Minnesota Peony and Iris Society was staged in the lobby of the Northwestern National Bank, Minneapolis, Minnesota, June 25-26. Flowers, very fine. THE OUTSTANDING FLOWERS OF THE YEAR

In my opinion, the most beautiful flower of the year was a bloom of Isani Gidui seen in a neighbor's garden; the most beautiful double, Doris Cooper, as shown in Minneapolis, and the most beautiful single, Pico, seen everywhere; Aerie, the best semi-double. Red Charm was the finest herbaceous hybrid.

Other noteworthy flowers were: Doubles: white: Elsa Sass, Frankie Curtis, Kelway's Glorious, "White" Pink o'Dawn (real name unknown); blush: Florence Nicholls, La Lorraine, Ramona Lins; pink, Dolorodell, Judge Snook, Mandaleen, Mrs. Livingston Farrand; red: King Midas; semi-double: Miss America, Mildred May, Red Goddess; Japanese, white: Christine, Gold Standard, Moon of Nippon; pink: Doreen, Gayborder June, Golden Sun, Sky Pilot, Westerner; red: Sword Dance; single: white: Dunlora, Krinkled White, Rebecca Wright, White Wings; pink: Dawn Pink, Josette; red: Arcturus, Man o'War, President Lincoln; herbaceous hybrids: Cardinal's Robe, Chocolate Soldier, Grace Root, Eros, Flame, Lovely Rose, Ludovica, Salmon Glow, Diana Parks, Skylark, Sophie.

The only show in which tree peonies were seen was Cleveland and they were not in good condition.

It is regretted that no reports from other shows had been received when this was sent to the publishers, July 5.

No edition of Peyton's Peony Pilgrimage will be issued this year.
